## Traceability

With our documentation system and certifications, we can trace any lot during any phase of the production cycle, from farm to customer.

## Post Sale Support

We are committed to a 9100 satisfaction policy. Any post-sales concerns will maintain the highest priority until a resolution is reached.

## Sustainability

We have secured our position as a fair-price reliable buyer of small farm produce and developed direct relationships with farmers and producers, thus creating redundancy in food supplies and the sustainability of our products and pricing, which we are expecting to be maintained into the distant future.

## 100% Sampling & Inspection

We test, inspect, and analyze every package, so you are assured that analysis represents the entire lot.
